(Supply only by Busselton Water)

Flow rate: _____ L/min

Fire service:

Fire service required? Yes No Size _____ mm

Flow rate: _____ L/min Location LHS RHS

PLEASE NOTE: Building plan required for multi-residential development. Building plan submitted Yes No

With respect to this application, I accept the following conditions:

The meter will be connected to the pre-laid service. Should you require the location of the pre-laid service, this is available by contacting Busselton Water. If an alternative location is required, additional water connection charges will apply.

It is the builder's responsibility to ensure the meter is adequately protected from damage, and acknowledge that the Builder will be liable for the cost of repairing any damage or replacing the meter if stolen during construction.

Busselton Water will accept an application on behalf of the owner, if the owner is validly listed on Busselton Water's Property Register.

The builder is not to remove the standpipe before final plumbing connection is made to the water meter.
