Location of meter:

Number of meters: _____

☐ Pre-laid ☐ LHS ☐ RHS

Size of meter **20mm only**
(Meters above 20mm use multi/non-residential application)

With respect to this application, I accept the following conditions:

The meter will be connected to the pre-laid service. Should you require the location of the pre-laid service, this is available by contacting Busselton Water. If an alternative location is required, additional water connection charges will apply.

It is the builder's responsibility to ensure the meter is adequately protected from damage, and the builder will be liable for the cost of repairing damage or replacing the meter if stolen.

Busselton Water will accept an application on behalf of the owner, if the owner is correctly recorded on Busselton Water's Property Register.

The builder is not to remove the standpipe before final plumbing connection is made to the water meter.

Busselton Water's supply standards are to provide a minimum static pressure of 15 metres head (150kPa) and a minimum flow of 20 litres per minute.
